

SUPPLIER CERTIFICATION OF ITAR COMPLIANCE

We, _____, certify that we understand the rules of the International Traffic in Arms Regulations (ITAR). ITAR comes from Title 22 – Foreign Relations, Chapter 1 – Department of State, Subchapter M – International Traffic in Arms Regulations, Part 120 – Purpose and Definitions.

We understand that when a purchase order from Zentech is identified as “ITAR” compliant, only those employees that are classified as U.S. Persons, as defined in ITAR, subchapter M, Part 120.15, will work on that purchase order. Furthermore, we agree that we will not share any purchase order information or product from Zentech with any other outside supplier, customer, or other client, without the knowledge or consent of a senior level official, or “Designated Official”, at Zentech. We also understand that we are responsible to maintain our own system to monitor and control the records that pertain to ITAR compliant product, and have documented proof that employees that work on ITAR compliant products are U.S. persons.
