19. N/A**20. Assessing Official Narrative:**

QUALITY OF PRODUCT OR SERVICE: Colonial adheres to specifications and standards of good workmanship and practices commonly accepted technical, professional, environmental, or safety and health standards. Government technical direction is rarely required to solve problems that arise during performance.

SCHEDULE: The contractor provides high quality technical products and meets the schedule. Extensions to the delivery dates are limited and are usually not the fault of the contractor. Risks are identified as they arise and reported immediately to the government.

COST CONTROL: Colonial is effective in forecasting, managing, and controlling contract/order cost. Billings are current, accurate and complete.

BUSINESS RELATIONS: Colonial Assembly & Design maintains a good working relationship the government technical personnel. The PM manages the tasking well and is readily available for meetings and phone calls. The contractor has been very responsive to the COR, Contracting specialist and technical leads in dealing with technical and management issues.

MANAGEMENT OF KEY PERSONNEL: Colonial maintains key personnel necessary to support all tasking under this contract managing an adept pool of personnel, readily available to meet customer requirements and tasking. Very little if any turnover has been noted since the inception of the contract.

ADDITIONAL/OTHER: Colonial Assembly & Design meets the government's requirements in accordance with the terms of the contract. The products are of the highest quality and management and personnel are always available to discuss any issues at any time.

RECOMMENDATION: Given what I know today about the Contractor's ability to execute what they promised in their proposal, I definitely would award to them today given that I had a choice.
